

St. Mary's Catholic School of Kickapoo Tuition Information

St. Mary's School receives the spiritual and financial support of the entire parish.

Each enrolled student benefits from a portion of the educational cost
being subsidized by St. Mary's Parish.

Our school welcomes families from area parishes without their own schools
and families of other faiths to this learning community.

Families who are active, registered members of a Diocese of Peoria parish qualify for an additional
subsidy provided by their home parish to St. Mary's School, upon approval of their parish pastor.

To maintain tuition status as a parish member, families with children attending St. Mary's School are not only expected to pay tuition, but also should assist the parish with their time, talent and financial support to the church via weekly offering, while also regularly attending weekend Mass.
