Mission Statement

St. Mary's of Kickapoo Parish School is a coeducational elementary school which serves society by fostering development of the whole child, within the Catholic faith.

The staff, in cooperation with the parents, provides programs in religious formation, academic and social growth, fine arts and physical education.

The curriculum reflects a Catholic lifestyle that is lived as well as taught.

Philosophy

St. Mary's of Kickapoo Parish School is a community committed to the total development of each child. Realizing that each child is a unique creation of God, the school provides programs which meet the spiritual, intellectual, physical, emotional, and social needs and individual talents of the child. St. Mary's is a faith community which teaches the Catholic faith and develops Gospel values the children demonstrate to the community at large. This reflects a Catholic lifestyle that is lived as well as taught.

Through the teaching of social development skills, leisure time activities and the fine arts, we inspire the children to attain a positive self-image, high self-esteem and to reach their maximum potential. Staff and students strive for academic excellence and continuing social growth. We believe that children learn by doing and imitating. Our emphasis on strong self-discipline nurtures growth in each person.

By making students aware of current events and the need for service to the community, we help them develop awareness and a sense of stewardship of God's planet, Earth. We believe Catholic education, which is first and foremost the mission of parents, involves cooperation with staff, students, church and community.

ABSENCES

Punctual, daily attendance at school is one of the most important responsibilities of every student. Daily attendance helps ensure the student's chances to succeed in his or her work. The school expects strong parental support for school attendance policies.

The school day begins at 8:00 a.m. for students in Pre-Kindergarten through Grade 8. If a child is ill and must be absent from school, the parent or guardian must call the school office before 9:00 a.m. to state the reason for the absence. See "Tardy" for information on when a student is late for school.

If a child must leave school because of illness or injury, the parent or guardian will be notified to come to school and pick up the child. At the time of pick-up, the parent/guardian or a person designated on the emergency form must come into the school office and sign the child out.

Health Precautions:

If your child is not feeling well – KEEP THEM HOME.
Symptoms identified by the IDPH will require a doctor's note to return to school.

- **A fever of 99 degrees or more – child should be fever free for 24 hours before returning to school;**
- **Vomiting or diarrhea within the past 24 hours;**
- **Any rash that may be disease related, until inspected by a physician;**
- **Child complains of not feeling well in the morning.**

****If a student is injured at a school event on or off school premises, the student's parent/guardian are responsible for the students' medical care decisions and expenses. Our school has an emergency action plan in place for all interscholastic athletic activities and we require all statute- specified person have taken the statute-specified concussion training. ****

ACADEMIC RECOGNITION

Each trimester students in grades 5-8 are recognized for their academic achievements. Academic recognition is based on grades achieved in all subjects. Students must have an overall average of 3.00 or above with no grade lower than a C on their report card and must have less than two C's to qualify for honor roll.

'A' Honor Roll	4.0
High Academic Honors	3.5 – 3.99
Academic Honors	3.00 – 3.49

All honor roll students are recognized each quarter. Students earning honors for all four quarters are honored at the Annual Awards Program that is held in May.

ACKNOWLEDGEMENT OF RECEIPT OF HANDBOOK

Each family shall sign and return a receipt verifying they have received this handbook (See Appendix.)

ADMISSIONS PROCEDURES

St. Mary's School endeavors to accommodate all students within the limits of our educational programs and capacity. Families wishing to enroll at St. Mary's should arrange an interview with the school principal. At this meeting, parents and their children share their expectations, past academic achievements of the children and any potential academic or behavioral problems. Students transferring from another school must submit their grade transcripts before being admitted and must pay tuition and fees due to the previous school before starting at St. Mary's. SMS strongly encourages potential students beginning with third grade to "shadow" for a day. Students accepted into St. Mary's are on probation during the first month of the new school year.

A child may be enrolled only by the legal guardian.

As part of the admission process, parents or legal guardians shall present.

- 1) An official copy of the child's birth certificate
- 2) The baptismal record (if applicable)
- 3) A record of compliance with local and State of IL health requirements

St. Mary's School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students in this school. This school does not discriminate on the basis of gender, race, color, or national and ethnic origin in administration of educational policies, athletic, or other school-administered programs.

AGE REQUIREMENTS

The school observes the State of IL school age requirements for admission. The general rule is the September 1st cutoff date for admission to preschool, kindergarten or first grade. Rare exceptions are made to allow a child to be tested for early admission.

Children entering the Preschool program must be three years old on or before enrollment. A child entering Kindergarten must be five years old on or before September 1. Verification of age must be provided through an official copy of the child's birth certificate.

ALTAR SERVERS

Interested students are trained as altar servers when they are in 4th Grade and have the privilege of serving Mass. The weekly schedule of assignments appears in the Parish Sunday Bulletin. If a student cannot serve when scheduled, a substitute must be obtained.

AMENDMENTS TO THE HANDBOOK

Statements in this handbook are subject to amendment with or without notice. The school principal will attempt to keep the school families informed of all changes as soon as practical. Some changes might have to be made immediately due to unforeseen circumstances.

APPOINTMENTS WITH SCHOOL STAFF

The teachers and principal are most interested in meeting with you as partners in your child's education. Appointments can be scheduled with the teachers and/or principal either by sending a note or e-mail to the teacher or by calling the office. The date and time of these appointments should be mutually agreed upon by all parties involved. Teachers are not available to meet during class periods when they are responsible for students.

ARRIVAL AND DEPARTURE AREAS

Preschool children may be dropped off at the **gym doors** after 7:30 a.m. until 7:45 a.m. to the teacher on duty. After 7:45 a.m. preschoolers should be escorted to the school gymnasium. Preschool will depart at the northwest entrance on the front of the building (The parish hall door). Parents or appointed person must be seen by the teacher before a child will be released. No child will be sent to the car without an adult or appointed older student.

Students in Kindergarten through 8th Grade use the gym/playground entrance for arrival between 7:30 and 7:45 a.m. Parents may park or drive through. After 7:45 a.m., students should be dropped off at the front door and go directly to the school gym. Students through grade 2 must have a "visual contact" before being released by their teacher.

As in the past, the management plan book and files are available in the school office for anyone who may wish to review it.

Athletic Philosophy

The athletic program at St. Mary's School centers on the student athlete. The main focus of the program is to promote the development of skills and understanding of the sport, sportsmanship and ethics, teamwork, school spirit, and fun. The physical and emotional progress and welfare of the student athlete is held in high priority. The philosophy and the guidelines apply to all sports and to all leagues to which St. Mary's belongs.

Learning Level (Grades 4-6)

- Skills, safety, and the rules of the sport will be taught to the student athlete.
- The winning attitude and good sportsmanship for self and team will be fostered as a key to not only athletics but to Christian values and academic performance.
- All players are expected to attend practices and games as scheduled. Coaches should be notified as early as possible regarding an absence. Repeated, unexcused absences may affect playing time.
- Student athletes are expected to exhibit a positive attitude toward the game, the coach, and teammates.
- Equal playing time for each athlete is part of the regularly scheduled games.

Junior Varsity and Varsity Level (Grades 7-8)

- Building on all of the "learning level" guidelines, this level extends skills and teaches the strategies of the sport.
- The constructive mindset of competition among athletes will be developed.

- A spirit of team will be developed with the importance of each individual's role emphasized.
- Equal playing time is not guaranteed.

Athletic Eligibility

When an athlete achieves a "D" or lower in any subject, a conference including the principal, the athletic director, the teacher, the student and the student's parent or guardian may be called to determine the best way to deal with the student's lack of academic progress. This will result in suspension of extracurricular activities (soccer, basketball, volleyball, track & school musical) until adequate progress is made. Suspension may also result from repeated or serious behavioral infractions.

BAND

All 5th – 8th grade students will be scheduled in Band and Art. Music lessons on flute, clarinet, trumpet, trombone, saxophone and drums are available to students in Grades 5-8. Students have a one half hour lesson during the school day. In addition, full band rehearsals are held once a week. There are opportunities for these musicians to perform for school assemblies, concerts, and other school functions as well as church services. An in-school assembly and evening recruitment meeting for parents is held during the year. The band is under the direction of Mrs. Sheila Harmon.

BATTERY - INCIDENTS OF BATTEREY AGAINST TEACHERS OR OTHER SCHOOL PERSONNEL

Upon receipt of a written complaint from school personnel, the principal shall immediately report all incidents of battery committed against teachers or other school personnel to local law enforcement authorities. In addition, incidents of battery against school personnel shall be reported to the Illinois State Police within three (3) days of the occurrence through the School Incident Reporting System (SIRS) in IWAS (105 ILCS 5/10-21.7).

BICYCLES - Bicycles are not to be ridden to school. Neither are skateboards or scooters to be brought to school.

BIRTHDAY CELEBRATIONS

Everyone enjoys his/her birthday. Birthdays may be celebrated by sending a treat for your child's class. Please join us in promoting wellness awareness in your choice of treat. There are many options. A birthday pencil with your child's name or a creative twist on healthy food is always a big hit. If you are hosting a birthday party, invitations may **NOT** be distributed at school unless the whole class is invited.

BUCKLEY AMENDMENT

St. Mary's abides by the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and other school related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

BULLYING

Bullying is contrary to Gospel values and has no place in the Catholic school. Intimidation or disrespect of any person is unacceptable in the Catholic school community. Bullying is an intentional, repeated, hurtful act (physical, verbal, emotional or sexual) committed by one or more persons toward another person or persons. All allegations of bullying must be taken seriously, promptly investigated and dealt with appropriately by the administration and staff of the school.

Bullying is characterized by:

- aggressive behavior toward others;
- intentional repeated hurtful acts over a period of time;
- imbalance of real or perceived power between the bully and the victim.

In all cases, these negative acts are not intentionally provoked by the victim.

Bullying may be physical, verbal, emotional or sexual in nature. For example:

- **Physical bullying** includes, but is not limited to, punching, poking, strangling, hair pulling, beating, biting, spitting, stealing, pinching and excessive tickling.
- **Verbal bullying** includes, but is not limited to, hurtful name-calling, teasing, taunting, gossip, and threats whether in person or through any form of electronic communication.
- **Emotional bullying** includes, but is not limited to rejecting; terrorizing; extorting; defaming; humiliating; blackmailing; rating/ranking of personal characteristics such as race, disability, ethnicity, perceived sexual orientation; manipulation friendships; isolating; ostracizing and peer pressure.
- **Sexual bullying** includes, but is not limited to many of the actions listed under emotional bullying as well as exhibitionism, voyeurism, sexual propositioning, sexual harassment and abuse involving actual physical contact and sexual assault.

Bullying actions in any form, including use of the Internet and other electronic communication devices, are unacceptable in the school community. Clear behavior standards should be posted and publicized and consistently and fairly enforced. Children are unable to eliminate acts of bullying or harassment without adult support and guidance. St. Mary's has the responsibility for developing educational programs that address bullying at all levels. Parents/Guardians, teachers, staff, administrators and the community must work together in preventing bullying.

CALENDAR

Prior to the beginning of each school year, parents receive a listing of vacations, holidays and dates school will not be in session. Each family will also receive a printed calendar for the year. Dates for some events and activities do change. Please read weekly memos and class notes for any adjustments that may occur. In addition, the calendar is also posted online at www.stmaryskickapoo.org and on the RenWeb/ParentsWeb site.

CELL PHONES

Any cell phone, **smart device (watches)** or other electronic device should not be out or used during school hours without specific direction by a teacher. Teachers will take possession of any devices being used without specific permission and turn them in to the principal. The first time this happens, the phone may be picked up after school by the student. The second time, the device will only be returned to a parent. The school is not responsible for loss or damage to these items when brought to school. Inappropriate texting or photos is subject to disciplinary action. Please see the technology policy for further related information.

CHILD ABUSE AND NEGLECT

This school follows the IL Abused and Neglected Child Reporting Act. Educators are mandated to report to the State of Illinois, Department of Children and Family Services (DCFS) any allegations and/or suspicions of child abuse and/or neglect. All staff has attended a mandated reporter training program.

CHILD CUSTODY/ SCHOOL VISITATION RIGHTS

A court order is required to prevent a non-custodial parent access to a child or to deny school visitation rights. This includes the release of a child to the non-custodial parent in addition to school visitation rights. If the custodial parent may not be expecting the child to be released, the custodial parent will be notified. In any cases where the welfare or safety of a child is in question, the non-custodial parent may be denied access while contacts are made. In the absence of a court order, non-custodial parents will receive school information pertinent to the child and may request a parent teacher conference.

Pursuant to Faith's Law, the Diocese has amended its Norms to add additional description of acts constituting sexual abuse of a minor:

The Diocese restates here the Diocese's requirement that its employees, including employees who work at diocesan elementary schools and high schools, shall report suspected child abuse and suspected child neglect to the Illinois Department of Children and Family Services. Pursuant to the Illinois Abused and Neglected Child Reporting Act, (325 ILCS 5/4), school employees are required to make a report suspected child abuse and suspected child neglect to the Illinois Department of Children and Family Services by calling the hotline number at 1-800- 25-ABUSE (1-800-252-2873) whenever the employee has reasonable cause to believe that a child known to the employee in the employee's professional or official capacity may be abused or neglected.

Effective 7/1/2023

COMMUNICABLE DISEASES

COVID-19

Symptoms of COVID-19 vary widely and may appear **2-14 days after exposure to the virus.**

In accordance with State and federal guidance, school community members who are sick should not return to school until they have met criteria to return.

It is recommended that medically fragile and immunocompromised students consult their medical provider prior to attending school. Students or staff returning from COVID-19 related illness should check in with the building administrator following quarantine.

This list does not include all possible symptoms. CDC/ IDPH will continue to update this list as we learn more about COVID-19.

Notify the school office immediately if your child is diagnosed with a communicable disease. All situations will be handled on an individual basis in compliance with policies set by the Diocese of Peoria. For example, N1H1, Chicken pox or mumps require exclusion from school. Your child should not attend school if vomiting, diarrhea, sore throat, earache, colored discharge from the nose, skin rash, lice, eye infection, or an elevated temperature are evident.

It is important that cases of any communicable conditions or illness be reported to the school office immediately. We take immediate steps which minimize the exposure of others to contagious conditions. Lice, like other communicable conditions, needs to be communicated in order to be contained. As with any symptoms, your child's doctor is the best source of information.

COMPUTERS

With a teaching computer lab and chrome books available to each student in K-8th grade, the students who attend St. Mary's have computers readily accessible to supplement and enhance their education. The use of computers in a school used to be a privilege, but they are now a necessity for today's education. Computers are networked and have wireless internet accessibility. In compliance with the children's Internet Protection Act, St. Mary's uses Barracuda to protect students when they are on line. All students must enter a password to gain access to the internet. All students are supervised by an adult when they are online. Barracuda is set to filter out material not suited to Catholic education or not age appropriate. Specific sites may be entered for filtering by the site administrator. More complete statements of policy on

appropriate and safe computer usage along with an internet release form is in the technology appendix. A parent and child signature affirming they have received this info must be on file before a child is allowed internet access. St. Mary's uses Google Classroom and makes StMarysKickapoo.org available for all K-8 students.

When using any school computer students are expected to abide by accepted rules of etiquette. Any inappropriate use of computer or internet will result in disciplinary action including suspension or expulsion. It is important for every student to know that certain misuse of internet or other public information sites is a police matter even for minors under a new law effective January 1, 2011. For our purposes unacceptable usage includes, but is not limited to, the following:

- Using the internet for illegal activity, including violation of copyright or transmitting any material in violation of U.S. or Illinois regulation;
- Unauthorized downloading of software;
- Downloading copyrighted material for other than personal use;
- Invading the privacy of individuals;
- Using another user's account or password;
- Posting material authored or created by another without his/her consent;
- Posting anonymous messages;
- Accessing, submitting, posting, publishing or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing or illegal materials;
- Using the internet while access privileges are suspended or revoked.

CONFERENCES

Formal Parent-Teacher-Student Conferences are held in the fall, once a year. Please check the school calendar for the specific dates. Conferences are a "touch base" time for parents to understand how their children are doing in school.

CONFLICT RESOLUTION/INTERVENTION

As in all human relations, misunderstandings between teachers and parents can occur due to lack of communication or unfulfilled expectations. On any such occasion, parents and teacher(s) are asked to communicate directly to seek resolution. If no resolution occurs, the principal should be brought into the discussion. In extreme cases, pastoral input or grievance processes will be implemented.

CURRICULUM

St. Mary's follows the prescribed curriculum of the Diocese of Peoria. It is aligned with Illinois Learning Standards. The curriculum is research-based and evaluated and up-dated on an on-going basis. The curriculum is available through the school website as a link. Resources are reviewed and selected to best implement these standards and objectives for the students of SMS.

DISCIPLINE

Parents and educators form a partnership in guiding students in the formation of Christian values that lead to responsible behavior and self-discipline. As a Catholic school, we have high

expectations for student conduct based on honesty, respect, and responsibility. As an educational community, our goal is to maintain a safe environment conducive to learning. All members of the school community share the responsibility for maintaining a positive school climate. There are three basic rules for each student, parent and staff person who attends or works for St. Mary's School:

1. Always be truthful.

We all make mistakes. Some mistakes are accidental, because of a lack of facts, acting without thinking, or out of fear. Others are not. The bottom line is that when we make a mistake, we need to own up to it and be honest. When the truth is told, a situation can be dealt with in a fair and reasonable way.

2. Respect yourselves, others and property.

How we treat others often depends on how we feel about ourselves. Through mutual respect, our own self esteem will blossom. By dressing properly and being clean, we show others we respect ourselves. Caring for our own property and the property of others also exhibits proper respect

3. Act responsibly.

Sometimes we act in ways that are not responsible, proper or right. Each person must accept responsibility for his or her actions and the consequences of those actions. Each person needs to take time BEFORE acting to remember procedure, think of consequences, and be ready to accept responsibility.

Consequences

When a member of our SMS community continually behaves in a way that infringes on the rights of other students and interferes with the learning environment of the classroom, disciplinary measures will be taken by the staff/administration. In Preschool through 4th grade classroom management systems are used. For repeated or more serious situations, a behavior notice will be sent home from the office. A parent conference may be necessary at that time. In grades 5-8, a progressive system of warnings (demerits) and consequences (detentions) is used routinely. This allows for accountability throughout the day.

Detentions

Students may be issued a detention for poor behavior. A detention requires attendance at an assigned 60 minute silent period from 3:15 – 4:15 p.m., or during a recess (non-instructional time). When a detention is issued, a detention notice will be given to the student stating the reason and the date and room for the detention to be served. Parents will be notified by the detention issuing teacher; then written notice of the detention will be sent home for parental signature. Detention notice must be returned the following day.

If a student receives two detentions, a student, parent and principal conference will take place. A third detention will result in an in-school suspension.

January 1st marks the start of a new year and a clean slate for behavior. Demerits and detentions will not carry into the New Year.

In more serious cases, such as those below, disciplinary measures such as detention, suspension (in school or at home), probation, expulsion, or contacting local law enforcement may be

imposed immediately. The administration will determine the disciplinary measures to be used in such situations.

- Continued demonstration of serious disrespect (physical or verbal) for teachers, the administration, or any adult working for or in the school.
- Continued **bullying**.
- Smoking or possession of cigarettes on school property or at school functions.
- Possession, consumption, use, or sale of drugs, alcohol, or weapons in or on school property.
- Vandalism to or theft of school property, property of school personnel or fellow students, including lockers and bulletin boards. Restitution will be the responsibility of the student in addition to disciplinary action.
- Threatening staff members or students by word or gesture.
- Tampering with fire bells, alarms or equipment.
- Serious misuse of the internet or other electronic communications

Suspension

Suspension is the temporary denial of classroom attendance. Suspension may be on school grounds or at home. Students who are suspended may not participate in school related activities on the day or days of suspension.

Probation

Students on academic or behavioral probation MUST follow all school policies during the probationary period. If the student does not meet the conditions of the probation, he/she will no longer remain at St. Mary's School. During the probationary period, students may not participate in extracurricular activities.

Outside Activities

A student dressed in clothing representing St. Mary's School or in attendance at a school sponsored event is responsible for behavior in accord with the policies of the school. Students who misbehave in these situations will be subject to any and all disciplinary actions outlined above.

DOCTOR/DENTAL APPOINTMENTS

We strongly urge that these appointments be made outside of school hours. If it is necessary for your child to be excused during school hours for an appointment, we ask that you send a written note to the office or classroom teacher. A parent or person named on the emergency form on file must come to the office to sign the student out before s/he can be released from school.

EMERGENCY INFORMATION /STUDENT INFORMATION SHEET

Each student must have a current Student Information Sheet and an Emergency Sheet on file in the school office. The database lists the parents' address and phone numbers at work and at home. **It must also contain a phone number of at least two other adults who can be responsible to pick up a child in case of emergency. Information also lists any medical conditions or allergies the student has, as well as any medication prescribed for the student. The information must be signed by the parent/guardian. Parents and guardians have the responsibility of keeping emergency information up to-date and checking its accuracy. Under no circumstances will a student be released during school hours (including before**

and after care) to any person not on the emergency form without written parental authorization.

DRESS CODE

A uniform identifies a team working to bring individual talents together to achieve excellence and a common goal. It is worn with pride and respect for the team it represents.

EMERGENCY PROCEDURES

Fire drills, tornado drills and crisis drills are important. They are designed to teach students and staff procedures to follow in case of an actual emergency. Crisis Management Plan is reviewed with faculty at the beginning of each year. Crisis folders and maps for evacuation are located in each classroom. Emergency drills occur on a regular basis. Students MUST follow the rules during emergency drills. General rules are:

- Listen to your teacher.
- Follow all directions
- Stay with your class. If you become separated go to the nearest adult.
- Silence is required so all can hear the emergency information.

FIELD TRIPS

Field trips are an important enhancement when added to classroom learning. Teachers work to create trips that are enjoyable, even fun. However, the school does not sponsor trips without an educational purpose. Field trips are a privilege and require the cooperation of each student. The school requires the written consent of a parent or guardian before a child is permitted to participate in a field trip. Permission forms are sent home with the purpose and details of any field trip. **A phone call from the parent or guardian cannot be accepted in place of a signed form.** On those occasions when parents drive or chaperone, all appropriate paperwork must be in place before departing. (Volunteer file and proof of insurance and driver's license). Additional children/family members are not allowed on field trips. Again, a field trip is an extension of the classroom, so other children should not attend.

FIRE ARMS

Other than police/sheriff's officers, St. Mary's School does not permit fire arms to be carried in the building, under any circumstances (not permitted for concealed carry licenses). Notification signs/stickers are visible at entry doors.

FUNDRAISING

There are a variety of occasions for fundraising in the school. Support of these by school families and friends is an important part of the operating budget. **Each fundraiser is approved by the principal at the beginning before planning begins.** No individual may undertake fundraising within the school or the school day without approval.

GANG ACTIVITY

Gang-related activities are contrary to Catholic social teaching and have no place in the Catholic school. Intimidation and/or disrespect of any person are unacceptable.

The following may be subject to disciplinary action:

- Intimidation and threat of physical harm of others
- Symbols that may be gang-related in the manner displayed, including but not limited to jewelry, jackets, sweatshirts, caps or other forms of clothing
- Display of sign/symbols on paper, notebooks, textbooks, and other possessions that may be gang-related
- Conduct on or off premises that may be gang related

Parents/guardians are notified when their children are either suspected of being involved in gang-related activities or are victims of gang related activity. Gang activity may result in probation, suspension, and/or expulsion. The principal has the authority and the responsibility to investigate and report suspected gang activity to local law enforcement.

GRADING

Grades will be sent home on a trimester basis. Interim reports will be made to notify parents and students of progress outside of the average range. In Kindergarten through Second Grade development will be indicated by a series of letters as symbols of progress. In second through eighth grade, progress will be indicated by letters according to the scale below.

	5 th – 8 th grade GPA points
• A – 94-100%	4.0
• B – 86-93%	3.0
• C – 76-85%	2.0
• D – 68-75%	1.0
• F – 67% or lower	0

HARASSMENT

The Pastor, administration, and staff of St. Mary's School believe that all students and employees are entitled to work and study in school-related environments that are Christ-centered and free of harassment. The school will treat complaints of harassment seriously and will respond to such complaints in a prompt, thorough and confidential manner. Harassment of any type will not be tolerated and appropriate disciplinary action will be taken. Disciplinary action may include suspension, expulsion or termination.

Sexual harassment by one employee of another, by any employee of a student, by a student of an employee, or by one student of another is unacceptable conduct. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including suspension, termination, or expulsion.

HEALTH REQUIREMENTS

Health Examinations

All children in Illinois must present proof of having had a health exam and received such immunizations against preventable diseases as required by the Department of Public Health.

These records are to be presented to the school before the first day of school.

All children must have the health exam as follows:

- upon entrance to Preschool, Kindergarten & Sixth Grades
- when transferring from another school

Children who are not in compliance with this rule will be excluded from school.

See Appendix A.

Dental Examinations

All children in Kindergarten, Second and Sixth grades must have a dental exam by a licensed dentist by May 15 of each school year. Dental exam forms must be on file in the school office no later than that date.

Vision Examinations

All children enrolling for the first time or entering Kindergarten are required to have a vision exam by an ophthalmologist or a licensed optometrist. A vision exam form must be on file in the school office.

Medical or religious objections to the above must be submitted to the school in writing

HOMEWORK

Teachers assign homework to reinforce, review and enrich the material taught in the classroom. All assigned homework must be completed. The parent will be notified if the child did not complete a homework assignment. Time will be made during, before or after school for work not done to be completed. This may be an alternative assignment; a follow-up phone call will be made if notification is not acknowledged the following day. Parents and students can check homework assignments on the Ren Web website.

- **For every day a homework assignment is late, the work will go down one letter grade.**

Responsibilities of Student

- Understand directions and know what is required for completion of the assignment.
- Assume responsibility for completing and returning assignments.
- Understand when some assignments are to be completed independently, others as a team effort.
- Complete assignments neatly and do quality work.
- Turn in the work as directed
- Student must write their homework in their planner daily.

Responsibilities of Parents

- Maintain a positive attitude toward learning and the value of homework.
- Be aware of the homework policy and individual teacher assignments.
- Help your child find a study area that is quiet and relatively free of distractions.
- If your child has trouble understanding the directions, help him/her with explanations.
- Do not do the homework for your child.
- Look over the assignment when your child is finished. Confirm the completion and quality of the work.

HOMEWORK FOR ABSENT STUDENTS

If your child is absent and you wish to pick up work, please call the office before noon to request that the teacher gather homework for your child. When the student returns, he/she is responsible for checking with the teacher for work to be completed and for turning in the missing work as assigned. Rule of thumb is one day to turn in per one day absent. Make up tests will be given at the teacher's discretion. Long term assignments are due as assigned unless cleared with the teacher by that date.

When a student is absent from school for an extended period of time due to illness, the appropriate method of making up work will be determined by the teacher, parent and principal. The school reserves the right to determine how progress will be assessed after an unexcused absence.

Teachers are not responsible for compiling class work for a child to take along on a family trip. If there is not access to school homework sites or a homework buddy, then during this time students should journal, read and complete a log or book report and practice math. Students should meet with teachers on their return to determine work to be completed. For young children, parents should contact the teacher.

HOT LUNCH

St. Mary's students can order daily from a monthly calendar and receive a nutritionally balanced hot lunch with milk. Milk is also available to purchase on a daily basis. All lunches are billed on the RenWeb/ParentsWeb system. (Current Lunch Pricing for the 2023-24 school lunch: \$4.00 per child; milk included Milk Only \$0.75 each)

LEAVING SCHOOL GROUNDS

Since the school is responsible for the child during the entire school day, no child is permitted to leave the school grounds during the school day without a parent or authorized adult "signing them out". If a child is to be dismissed because of illness or an appointment, a parent or person authorized in writing must come to the school office and sign for the child's release before taking the child from the school grounds.

LOST AND FOUND

Lost and found items are placed in the lost and found in the school office. Lost and found items are kept until the end of each month when they will be displayed in the front hall for a week. At that point, uniform items will be placed in uniform exchange boxes and other items will be donated to the needy. Please label all clothing with your child's name – even shoes!

MEDICATIONS (See Appendix)

The responsibility for administering medication rests with the parent. The school is forbidden by Illinois State Law to administer any medication (including aspirin, Acetaminophen, or Ibuprofen). If it is necessary for students to receive medication during school hours, school personnel will oversee dispensing prescription or over the counter medication only if the following requirements are met:

- A parent or guardian must fill out a Medication Authorization Form and it must be approved by the principal and on file in the office.
- A written order from the physician detailing the name of the drug, dosage, reason, time intervals between doses, and possible side effects must be on file in the office.
- Medication must be brought to school in **the original container, appropriately labeled by the pharmacy.**

In any other situation, a parent should come to school and administer the medication. The school retains the discretion to reject requests for overseeing the administration of medication. For the sake of safety, all medications will be kept in the office and administered there by the teacher, secretary, or principal.

Children are never permitted to independently carry or take medication (including aspirin, Acetaminophen, Ibuprofen and cough drops) unless they meet the guidelines in Section 6 of the Office of Catholic Schools Medication Procedures as they pertain to students with asthma or allergies. This school allows the self-administration and self-carry of diabetes & asthma medication upon receipt of a signed parent permission notification and a signed physician diabetes/asthma care plan that also carries a parent signature, both of which are maintained in the school files.

NEWSLETTERS - EBLASTS

The principal's newsletter is distributed each Monday by e-mail. (Requests for hard copy should be made to the office for anyone without internet access.) This Monday 'e-blast' also contains dates, public recognitions and other current information and announcements parents need from week to week. Please set aside time each week to read and respond.

Teachers are encouraged to write regular newsletters to parents to keep them informed of classroom schedules, events, and curriculum topics. They may also use these newsletters to share photos, student work or to request classroom supplies and enlist parent volunteers. Newsletters are posted on the RenWeb/ParentsWeb Family Portal.

NO SMOKING

St. Mary's School is a smoke free environment. Adults wishing to smoke must do so outside the school building, preferably more than 25 feet from any door or window of the school.

PARISH BULLETIN

The parish bulletin is an important way to inform the parish at large about the school. Teachers and parents, as well as the principal, can use the bulletin to inform, recruit, and thank the people of St. Mary's. **Articles for the parish bulletin pertaining to the school should be submitted through the school office and are due the Monday for the following Sunday's publication.**

Pre-K, Pre-School Program Safety

St. Mary's Pre-K program qualifies as an "exempt" child care program, and is not licensed or regulated by DCFS. Our Pre-K program complies with all procedures required by the Illinois Department of Human Services CCAP for license exempt providers.

Our confidential student files are kept secure, locked, and retained per ISBE's and Illinois School Code requirements. All confidential records that are no longer required to be kept are shredded on-site.

Our **First Aid kits** are accessible at all times and located on the main floor and upper floor. Minimum contents include multiple sizes of bandages (at least 10 items), small and large gauze pads (at least 3 of each), adhesive tape (1), single use ointment, hand sanitizer, scissors, and gloves (at least 6). Contents also include a chemical ice bag and directions for first aid reference. Our designated Nurse and Principal inform staff of their location and contents during our August staff meeting (and upon first day of employment for new hires). Contents are refilled at the start of each year, and refilled after staff request or injury reports.

All staff have access to working (land line) telephones in the school office, the teacher's lunchroom, and school kitchen.

PHOTO RELEASE PERMISSION

Photos of students are used with permission on school websites, in press releases, Sunday bulletin articles and other media throughout the school year. A parent who does not want a child's photo used should NOT check the form and return the form declining to release. If no form is received, the release is assumed.

PRAYER AND LITURGIES

School-wide liturgies and prayer services are held Wednesday and Friday mornings. Teachers and students take an active role in preparing the school liturgies and prayer services. Parents are invited and encouraged to attend these services with the students and teachers and to model respectful participation in formal prayer. Each day begins with a short Bible reading and prayer led by the principal and two students and ends with prayer. Creative prayer is also a part of every day. We teach children that God is a part of our lives and prayer is the way we can talk with Him whenever we want.

REGISTRATION PROCEDURES

New registrations are taken in the school office. A tuition agreement form and birth certificate are needed along with the family and student information forms to complete the registration process. Students transferring from another school must submit a transcript of their grades as well as any testing information available. All new students are admitted on a one month probation period. A meeting may be held at the end of the month where the principal, student and parents will review the transition.

Registrations are categorized into 2 priority groups: Parish Members & Non-Parish Members. Families in the first group receive priority during registration. By registering at St. Mary's School, students and parents/guardians understand and agree to adhere to the educational objectives and practices and rules and procedures of St. Mary's School.

Families registering in school as parishioners must be registered with the rectory and participate in the stewardship of this parish. Our ability to provide financial assistance is quite limited. Families seeking aid should talk to the business manager and pastor to obtain required application forms and additional information.

RELIGIOUS FORMATION

Preeminent among the school's goals are those related to the formation of the child's faith life: the teaching of dogma, the traditions and ritual of our faith, and the living of that faith through service to others. Instruction in religious truths and values is an integral part of the school program. The experiences and the activities planned, along with the doctrinal teachings, are meant to provide strong foundations upon which each child can build a life of faith and Christian attitudes. Through the example of parents and teachers, each child will enjoy the rewarding experiences of growing in love, trust and faith. Mass and Eucharist is the centerpiece of our community as Church. We ask each family to foster an appreciation of this celebration of the most sacred sacrament by regular family attendance and participation at Sunday Mass. All of our students from preschool on have learned and practiced proper Church and Mass etiquette. We ask parents to reinforce this during Sunday Mass by encouraging participation in prayer and song.

RETENTION

When a student is being considered for retention, parents will be notified in February. A conference is then recommended with the teachers, parents or guardians, principal and any other support staff who work directly with the child. Interventions and options will be discussed and a plan for implementation and monitoring will be put in place. Following that process it may be determined that a retention recommendation may be in the student's best interest. Ultimately, it is the parent/guardian's decision whether or not to retain a child. It is the administration's decision whether the child will be promoted at this school. Documentation of the school's recommendation and the parents' decision will be placed in the student's cumulative file.

SACRAMENTAL PREPARATION

The sacraments of First Reconciliation and First Eucharist are received in the second grade. Students are prepared during school hours by the classroom teacher. The pastor as director of religious education works with the teacher. Parents are informed of their responsibilities through parent meetings and newsletters.

The Sacrament of Confirmation is conferred every two years upon students in the 7th and 8th grades. Students will be prepared in class, complete service hours with their parents or sponsor, and attend a retreat prior to the reception of the sacrament. Meetings are held for parents and sponsors to inform them of their roles and responsibilities.

This will only be done by the principal or teacher in the company of another adult.

Contraband is defined as any weapon, dangerous object, illegal drug, drug paraphernalia or other item prohibited by law or by school policy.

Part of the philosophy of St. Mary's School is to be of service to others. Throughout the year, students will be asked to give of their time, talent and treasure for the good of others. This can be through performing civic duties like flag patrol or setting up and cleaning up for school and parish functions. It can be participating in Soup Kitchen. It may be by using their talents at school prayer services and events. Service can also be performed by making donations to the food and clothing drive during Thanksgiving and Christmas seasons or by participating in projects sponsored by the Student Council, the parish committees or the Parent's Club. All projects will be undertaken with consideration for the students' first responsibility to their academic progress.

Students may wear boots to school when there is snow on the ground, but must change into shoes once they are in the building. The throwing of snow, either loose or in the form of a snowball, is not permitted on school grounds. Climbing on snow hills is not allowed.

In accordance with state law (105 ILCS 75/15), the school shall not request a student to provide a username, password, or similar information in order to gain access to the student's private account or profile on a social networking site (e.g., Facebook, Twitter, Snapchat). However, the school may require a student to cooperate in an investigation by sharing the content of their private social network account if the principal determines there is sufficient evidence to suggest the student's social network account violates the school's disciplinary policy. Nothing in this policy shall prohibit the school from having unrestricted access to school computers, e-mail addresses given by the school, or anything else owned or operated by the school. The school has the right to regulate its own equipment, monitor Internet traffic, block social media sites with a firewall, and the like.

SPEECH Concerns

Students with auditory language problems can be tested through the public school district. Services may be provided at the local public school for those with diagnosed need.

STANDARDIZED TESTING

Standardized testing is just one element of the assessment/evaluation process. All Diocesan schools, including St. Mary's, have adopted NWEA MAP testing in the fall, winter & spring. The faculty uses these results to review curriculum and priorities for instruction as well as to assess individual development.

STUDENT COUNCIL

The purpose of Student Council is to promote student leadership, school spirit, and to make St. Mary's a better place for all students. The Student Council is made up of all students with representatives from grades 4-8. Any student serving on the Council must maintain at least a C grade average. When a member achieves a D or less in any subject, checks on his/her report card or detentions, the member may be temporarily suspended from the Council. Officers are elected for one school year. Classroom representatives are elected in September.

The entire school environment shall be aligned with healthy school goals to positively influence students' beliefs and habits and promote health and wellness, good nutrition and regular physical activity. In addition, school staff shall be encouraged to model healthy eating and physical activity as a valuable part of daily life. It is the policy of the Diocese of Peoria that:

SUBSTANCE ABUSE

The possession, use, delivery, transfer or sale of tobacco, alcohol, drug paraphernalia, illicit substances, chemical or any substance designed to look like or represented as such by students, on school premises, in school buildings or at school-sanctioned events is expressly forbidden.

Procedures for handling violations:

- Notify the parent/guardian and suspend the student during the school investigation.
- Conference with the principal, parent/guardian, student, pastor and other appropriate persons as determined by the principal.
- Notify the police as directed by law.
- If the violation is founded, professional evaluation and, if necessary, treatment shall be provided by the parent/guardian.
- Based on the results of the certified clinical evaluation, the status of the student for continued attendance in the school will be determined by the principal. Options include but are not limited to continued suspension and/or expulsion.
- Appropriate confidentiality will be maintained.

TELEPHONE USAGE

See cell phone policy. The office phone is available to students with permission during the school day for special situations – forgotten book, assignments, and lunches. This is for infrequent occasions not habitual use. Students who become ill during the day will have their parents called from the office as directed by staff.

TEXTBOOKS/NETBOOKS/CHROMEBOOKS

All students are responsible for the care and condition of their textbooks and workbooks. To protect the substantial investment made each year in textbooks, please make sure the books are properly covered. Books which are damaged in any way must be replaced; the student responsible for damaging the book must pay to replace it. Likewise, lost books are also to be replaced by the student. Students may be assigned a CHROMEBOOK for their use in school. Each student is responsible for the care and condition of these tools.

TRANSFERS

When a student transfers to another school during the school year, at least one week notice is required in order to complete the transfer forms. A student's tuition must be up to date before leaving our school or leaving another school to come here. Students transferring into St. Mary's School must present the proper transfer form from the school previously attended. All records for the student must be sent to St. Mary's upon request.

TUITION

St. Mary's parish establishes the tuition and fees which are to be charged for the school year. To obtain a current list of tuition rates, please call the school office. Prompt and regular payment of tuition and related fees is vital to the operation of St. Mary's School. Statements will be sent to families when a payment is due. If tuition is not paid when due, a reminder note is sent to the family. They are asked to either make a payment or contact the business manager explaining the situation. They will make a reasonable arrangement for payments. If tuition becomes 90 days late, students may be excluded from school until partial payment and complete arrangements have been made.

The actual cost to educate a child at SMS is greater than tuition. We are grateful that our school receives the enthusiastic support of the parish through a subsidy. The fund-raising efforts of the Parent's Club and Booster's Club combine to give the school additional monetary support. All of these efforts help to keep tuition costs down. We ask all families to provide their financial support through prompt payment of tuition and fees and to support the fundraising efforts of the parish groups.

VACATIONS

The school calendar has scheduled vacation times. Parents are asked to fit their family vacations into these time slots as much as possible. A student's academic performance may suffer if he/she misses school for an extended period of time. Families leaving early or arriving after a calendared vacation should contact the school office and the child's teacher. Teachers may not be able to provide work for your child ahead of time. In those cases, students should read daily, practice math, and keep a daily trip journal. When they return, students or parents should contact the teacher(s) to discuss assignments missed.

VISITORS

In the interest of safety, any person entering the school building must report to the office, sign in, and wear a name tag. Students are not allowed to bring friends/other children to school as visitors.

VOLUNTEERS

Volunteers are a vital part of any school. They assist the teachers and staff in providing the students with important programs. Volunteers are directly accountable to the principal. Each volunteer agrees to abide by the established rules and procedures of both St. Mary's and the Diocese of Peoria. All volunteers must have completed the online background check, fingerprinting and participated in the Safe Environment training required by the Diocese of Peoria.

USE OF BUILDING

Use of the building should be scheduled through the parish office. It is expected that at the end of the use, the responsible person will turn off lights and fans in the auditorium, gym and washrooms and secure all doors. All outside doors are to be locked by the responsible persons. Doors should not be propped open. It is a visual invitation to strangers. Take the lock off the door and close it. Relock at the end of event. It is expected that all users of parish facilities will note any damage to the property and report it to the parish or school office at the first opportunity.

WEAPONS

To uphold the dignity of the human person, the sacredness of human life, and provide a safe, secure environment:

- Students shall not carry, possess, or use weapons in school or on school premises.
- Weapons include, but are not limited to the following: knives, handguns, brass knuckles, "billy clubs," bats, pipes, sticks and any other object that causes bodily harm.
