Concession Stands – The Mustangs need YOU!

The Booster's Club is asking the whole school community to come show off their Mustang pride! Even if your child is not currently on a team playing, you are welcome to be a part of the fun by volunteering to help during home games! It takes a whole team to make our home games a success, and we are grateful for families that step up and participate! Grab a friend and work together!

Sign up to help with this link, or use the QR code (Home Games Volunteer Signups) located at the end of this newsletter!: [Girl's Games Signups](#)
